Lakeshore Medical Group  
502-345 Lakeshore Road E.  
Oakville, Ontario  
L6J 1J5

October 16, 2017

Dear Patient,

I would like to take this opportunity to introduce myself. My name is Dr. Alexis Pizale. As of November 1, 2017, I will be assuming care of Dr. Plaxton's practice. I received my medical degree at the University of Ottawa and completed my residency in Family Medicine at the University of Toronto.

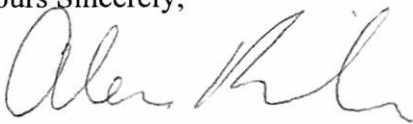

I have had the privilege to locum for Dr. Plaxton, as well as physicians in Toronto since finishing my training. It has been a pleasure meeting many of her patients over the last year and I am very excited to continue at Lakeshore Medical Group.

A strong therapeutic relationship with your primary care provider is important. As your Family Physician, I will try to accommodate all appointment requests efficiently. If you need to see me urgently, please call the office first and I will try to see you as soon as I can to avoid a walk-in clinic visit. Patients of my practice are also able to use our After Hours Clinics Monday to Friday for urgent medical issues. Please visit our website for more information about our hours and policies (<http://www.lakeshoremicalgroup.ca>).

As part of the switchover process, all of Dr. Plaxton's patients are encouraged to sign up with me as soon as possible by completing and returning the patient transfer forms. Please feel free to mail back the attached form or stop by the office to complete the forms for yourself and for any family members under the age of 16 starting **November 1, 2017**.

I look forward to overseeing your care.

Yours Sincerely,

Alexis Pizale, M.D., C.C.F.P.  
Family Physician  
Lakeshore Medical Group
